

## Hold Short For Runway Safety

Runway Safety and Surface Safety affects all operators at the airport. The Runway Safety Action Team (RSAT) is established to address existing runway safety problems and identify potential runway safety issues. Learn about ongoing and future surface construction programs at PHF. Participate in a review of runway safety issues and best practices to help you avoid a runway incursion or pilot deviation. Don't miss this opportunity to learn and share your runway safety concerns and best practices. Click on the link below and register today!

**Directions:** From I-64, follow the airport signs. Take the Jefferson Avenue (Route 143) Exit 255 and follow the Airport Signs. Terminal Parking available. Conference Room located in PHF Airport Terminal.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
